

Summary:

Book 1 of this dark, graphic, erotic romance series introduces Henry, a husband who forces his way into his wife's hidden life—one defined by secrecy, submission, and a powerful Mistress he's never met. What begins as a shocking disclosure spirals into an emotionally charged new reality as his wife's double life fractures. Desire and submission collide as revelations surface, and all three must confront the cost of devotion and truth, with lethal consequences.

ISBN-13 (paperback): 9798195906696

ASIN (e-book): B0H2WBG3K1

Unique Kage Bio:

Unique Kage is a voice that questions "normal." These stories probe love, conviction, and loyalty through the messy realities of polyamory, unapologetically graphic BDSM, and an examination of what consent means. There are no tidy morals, only characters forced to confront who they are when the rules bend, and honesty hurts.

Q & A:

How dark is it?

Book 1 is dark, with one act of extreme vigilante justice, explicit BDSM, polyamory, and a female-led dynamic throughout.

Is consent central?

Yes. Consent is a lurking main character. It's treated as sacred, but the series keeps asking: if you consent to a lie and stay silent when you learn the truth, is that still consent, or love?
