

Summary:

In book one of this dark, erotic series, a billionaire heiress, her husband, and her mistress gamble everything on polyamorous love, binding vows, and unbreakable devotion, risking the moment when lies and loyalty collide, and love is no longer enough to protect them.

How dark is it?

Book 1 is dark, with one act of extreme vigilante justice, explicit BDSM, polyamory, and a female-led dynamic throughout.

Review/Series Info:

This series (4+ books) is written for adults (+21) who want to explore dark, explicit, morally ambiguous, unconventional relationships across genres.
